SUMMER OF CHALLENGES

LSI has been planning for "Summer 2026" ever since the end of last summer.

Building on the success of the "Triple Win Youth Camp" in Kyrgyzstan, we will host two camps there and one in Chiang Mai in 2026, continuing leadership development for teens and parents. In Taiwan, short-term mission teams will grow from one in 2025 to three in 2026, serving in detention centers, prisons, senior centers, and as language teachers.

All teams will complete pre-trip training on mission purpose, basic knowledge of Christianity and Islam, local culture, and servant-minded attitudes.

TAIWAN

Please pray for our team leaders as travel costs rise and logistics become more complex.

Connie will travel to Kyrgyzstan, China, Hong Kong, and Thailand; Horace to Hong Kong and Taiwan; Leo to Taiwan, Hong Kong, and Indonesia; and I may travel to Kyrgyzstan and Taiwan for Hope Center expansion projects.

Also remember our local staff in Kyrgyzstan and Taiwan as they prepare for summer programs. Student enrollment, along with lodging, transportation, and meals for the short-term teams, will keep them fully occupied.

2026年將在吉爾吉斯斯坦舉辦兩次、在清邁舉辦一次青少年營會，並在台灣擴展至三支短宣隊，參與多領域服事並接受行前培訓。

請為團隊領袖與跨地區行程（含中國、香港、印度尼西亞等）禱告，也紀念當地同工在招生及後勤安排上的預備。
